Help us celebrate Mount Shasta's newest and best trail system – the Gateway Trail. This trail network is located on the Shasta-Trinity National Forest. Completed in 2013, the trail system provides 10 miles of multi-use trails for our community and visitors to enjoy.

**Location:** Gateway Trailhead on Everett Memorial Highway

**Time:** 9:00 AM to 11:00 AM.

Join us and other trail enthusiasts to enjoy some refreshments and thank those that made this trail possible.
