

We need your help!

Our goal is to build additional greenway trails and improve them for all-weather use. Besides connecting the City Park to downtown Mt. Shasta, the ultimate goal is to connect greenway trails all the way to Lake Siskiyou.

Please contact the Mount Shasta Trail Association or the Siskiyou Land Trust to either volunteer to work on the trails or make a donation in support.

Both the MSTa and SLT are 501(c)(3) non-profits. Please consult with your tax professional about the deductibility of your contribution.

Feel free to return this map to one of the trailhead map containers, or recycle it when you are done.

Leave No Trace!
Please Reuse - Recycle

- When hiking, be sure to:
- Carry water
 - Have protection from sun and insects
 - Secure your vehicle in the appropriate parking area
 - Follow the rules of the trail when meeting other trail users (see map)

Our goal is to provide a quality and safe outdoor environment for the enjoyment of the Mount Shasta community and visitors. Trails provide a great opportunity for physical exercise and nature study - both at the same time!

The trails you are enjoying have been built over the years by the Mt. Shasta Parks and Recreation District, and by a coalition of trail supporters including the Mount Shasta Trail Association, Siskiyou Land Trust, Mount Shasta Rotary Club, and the Mt. Shasta Recreation and Parks District.

Welcome to our City Park Trails!

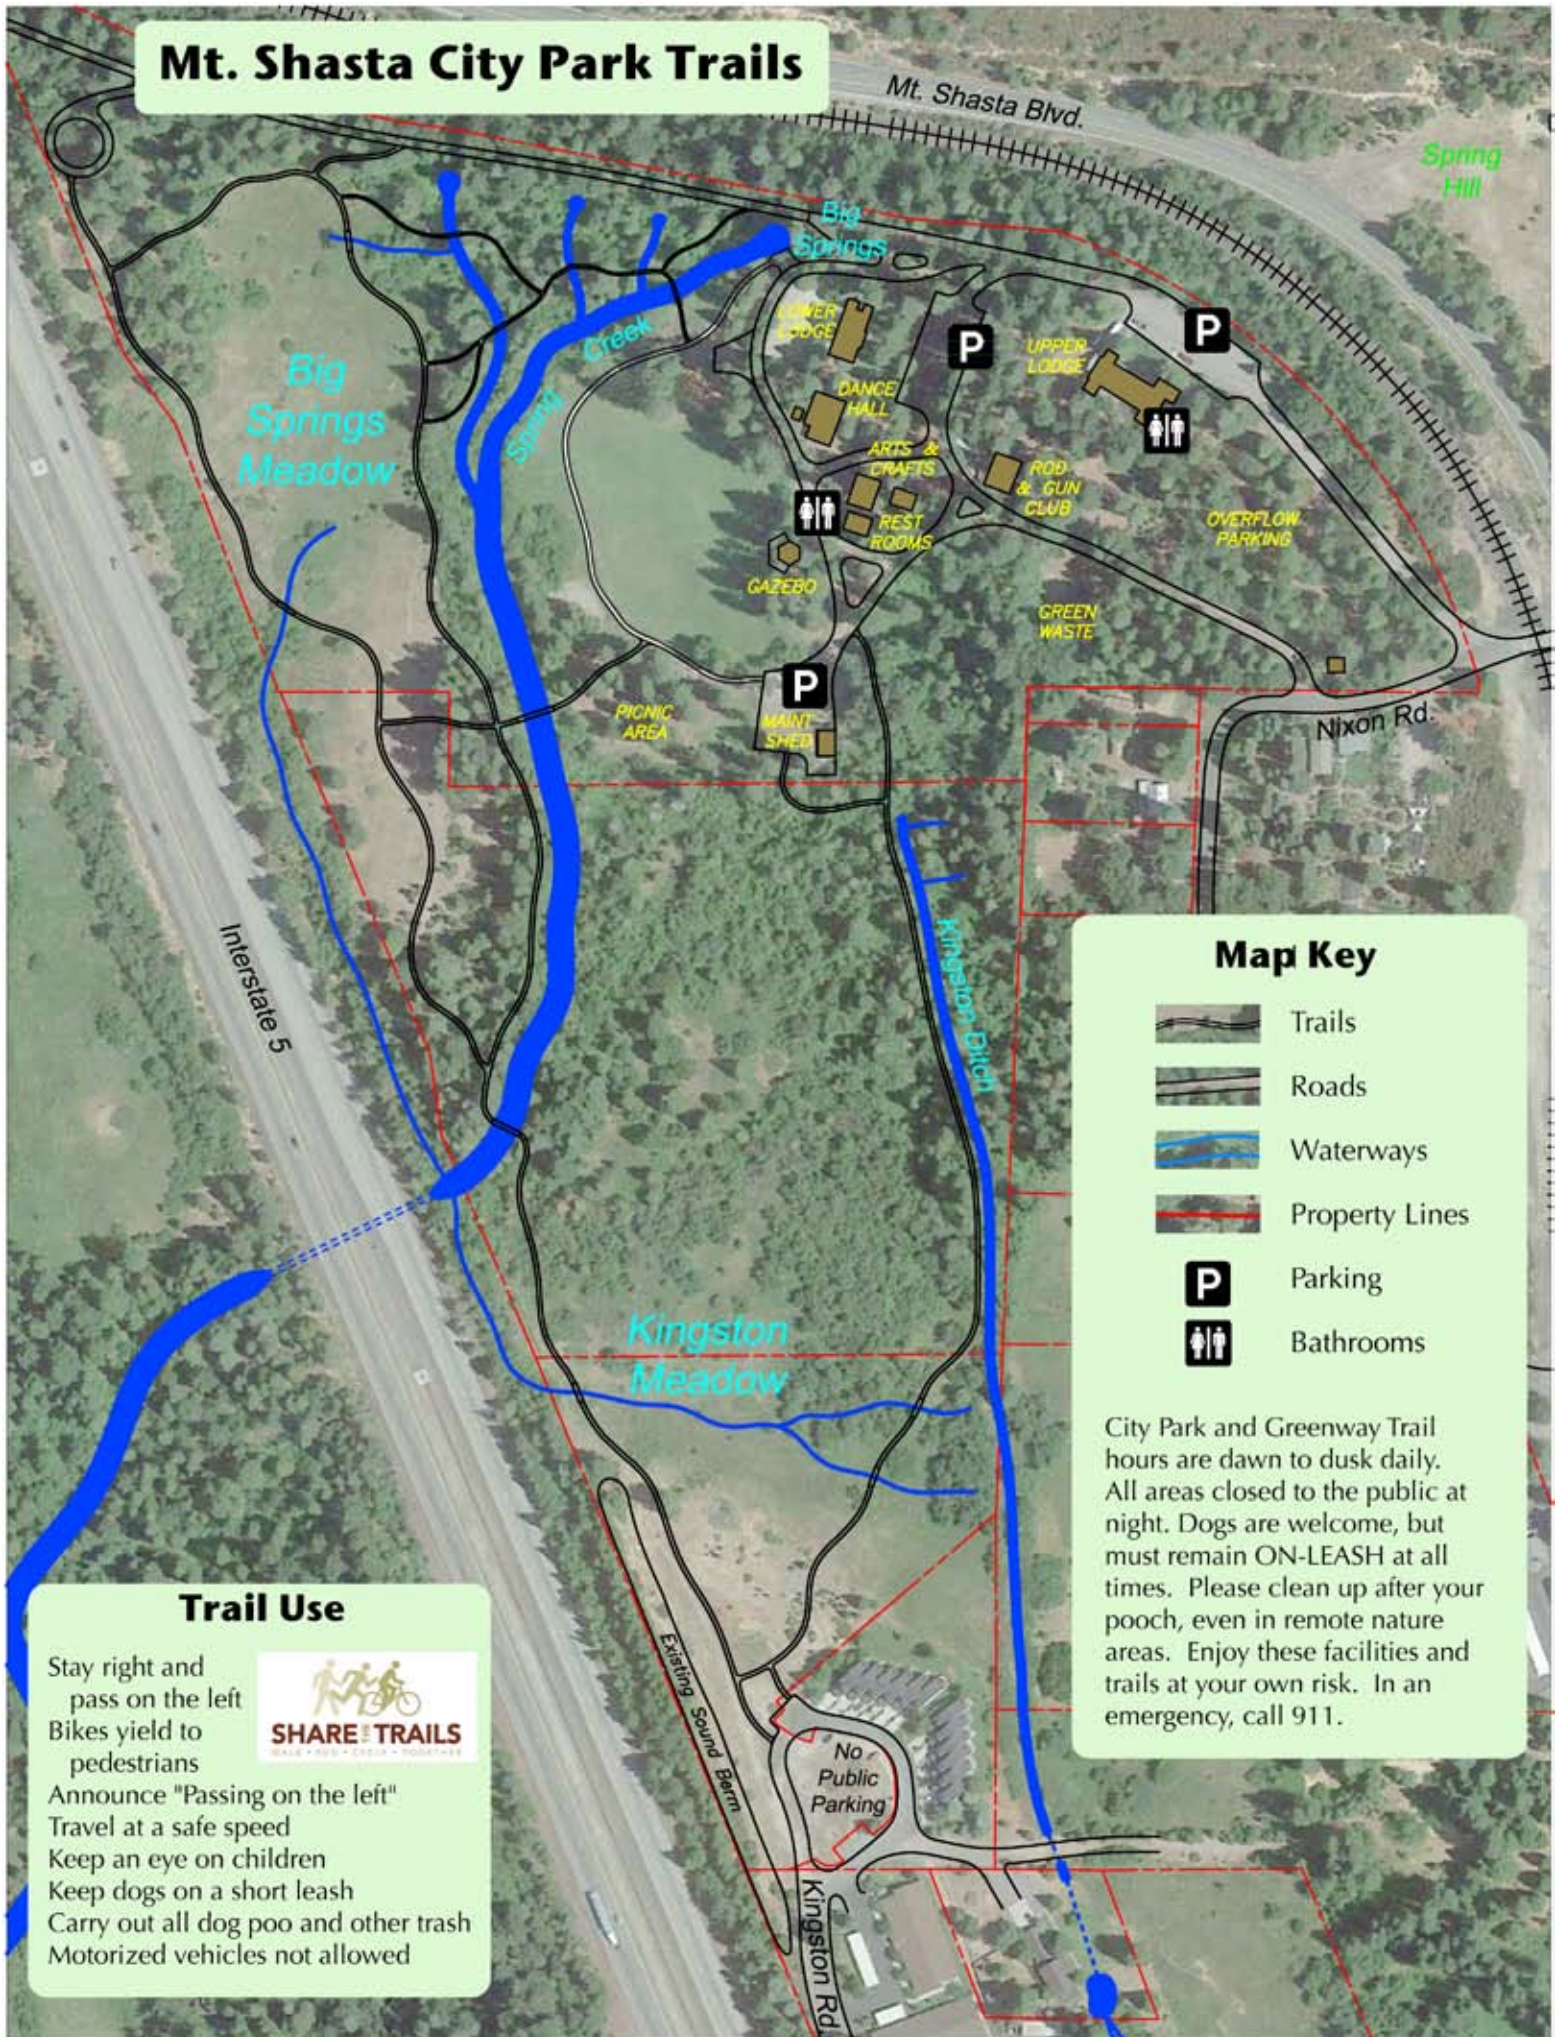

Mount Shasta City Park Trail Map and Guide

A guide to trails in and about the Mt. Shasta City Park, including:

- City Park to Downtown Greenway
- Big Springs Meadow
- Spring Creek
- Headwater of the Sacramento River
- Kingston Meadow

Mt. Shasta City Park Trails

Trail Use

- Stay right and pass on the left
- Bikes yield to pedestrians
- Announce "Passing on the left"
- Travel at a safe speed
- Keep an eye on children
- Keep dogs on a short leash
- Carry out all dog poo and other trash
- Motorized vehicles not allowed
