

# Trail Stewardship Summit Workshop

The U.S. Forest Service is hosting a two day workshop with partners to discuss opportunities, process, and share the fundamentals of trail assessment and maintenance. The first day will include discussions around trail classifications, trail management objectives, agreements, adopt-a-trail, communication and discuss next steps to progress with creating and implementing a sustainable trail program.

**Target Audience:** This training event will be focused on developing the core skills necessary for identifying and solving basic trail maintenance issues. It is intended for participants with a basic understanding of sustainable trail fundamentals. As space is limited, we ask that participants that plan to attend also be willing to commit to regular trail maintenance activities in the area.

**When:** June 29-30<sup>th</sup>, 2019

**Where:** Mount Shasta, CA – City Park Upper Lodge (classroom time) and TBD for the trail (field time)

**What to Bring:** Day 1 - casual, classroom clothing; Day 2 - work clothes (i.e. pants, long sleeves, gloves) Lunch will be provided for both days

**Sign Up:** For more information and to sign up please contact Detailed Recreation Officer, Jennifer Womack at 530-926-9616 or [jennifer.womack@usda.gov](mailto:jennifer.womack@usda.gov).
